

COVID-19 Safety Plan

We provide services across the GTA every month and our team interacts with people daily.

The health and safety of our customers and employees have always been our highest priority. That is why we are taking extra precautions in response to COVID-19. Here is what we are doing, and what you can help us do, to keep everyone safe.

Spray Foam Kings monitors the situation surrounding COVID-19 on an ongoing basis.

What We Are Doing:

- Every employee follows Public Health Ontario's How to self-monitor
- Encouraging proper handwashing to all workers
- Encouraging workers to avoid unneeded contact, including handshakes
- Surfaces are being sanitized frequently
- Managing guest logs at our facilities
- Updating our workers with news and notices on COVID-19 as it becomes available
- Providing health and protection guidance to decrease the extent of any airborne sickness
- Use of health and protection equipment, such as masks and gloves, while performing the installation of the spray foam insulation in your home
- Requiring employees showing symptoms of sickness to remain home
- Requiring workers who have traveled outside of Canada, or who have been in contact with someone who has traveled outside of Canada, to obey the Government of Ontario's 2019 novel coronavirus (COVID-19) self-assessment

What You Can Do:

- Notify us if you are experiencing any of these symptoms as per the [2019 novel coronavirus \(COVID-19\) self-assessment](#):
 - Fever
 - New cough
 - Difficulty breathing
 - Muscle aches

- Fatigue
- Headache
- Sore throat
- Runny nose
- Diarrhea
- Symptoms in young children may also be non-specific (for example, lethargy, poor feeding)
- Tell us if you have recently returned from travelling outside of Canada and we can discuss rescheduling our visit
- Sanitize your home before and after our visit
- Practice good hygiene, including frequent handwashing

You can read more about COVID-19 on [Ontario's official website](#).
